

Patient Fees for Non-NHS Services

If you request work that is not provided for under the terms of the NHS Primary Care Services contract, your GP may be happy to undertake such work for you, but, as this is a private service, you will incur a charge for completion of your request

We will usually commit to complete the work that you have requested within 30 working days from that date. Should this not be possible, for example due to GP holidays or requests for a larger than normal piece of work, our staff will inform you.

All reports are carried out at the GP's discretion and as a practice we do not undertake:

Ability to do Power of Attorney
 Identity Confirmations (eg: passport/driving licence confirmation)
 Confirmation of living at an address
 Confirmation patient is alive
 Certificate to complete extreme activities (eg: sky diving, expeditions, marathons)
 Court Exemption Report / Letter
 Vision Assessment as part of a private medical
